

THE KENTUCKY HISTORICAL SOCIETY PRESENTS: THE STORIES OF KENTUCKY

WHAT'S MY STORY?

I KEPT TIME FOR PRESIDENT ABRAHAM LINCOLN WHEN HE WAS STRUGGLING TO HOLD HIS COUNTRY TOGETHER.

On the micro level, one can imagine President Abraham Lincoln monitoring the minutes and hours of his days by this timepiece. On a macro level, as the minutes and hours passed into days, months and years, one can imagine Lincoln wondering whether his efforts would succeed and what the future of the United States of America would be. Director Steven Spielberg used a recording of this watch's ticking in his 2012 movie, "Lincoln."
